

**River Bend, Concord, MA**

A multifunctional building serving as a companion to the Victorian main house situated in Concord's Historic District.

In addition to a three-car garage, other spaces include a large recreation hall and a study on the second level, both with views of the nearby river.

On the east side of the structure, there is a landscaped court with a spacious terrace and outside fireplace also overlooking the river and meadows beyond.

**Builder** Kistler & Knapp Builders  
**Landscape Design** Nicholas Reed
